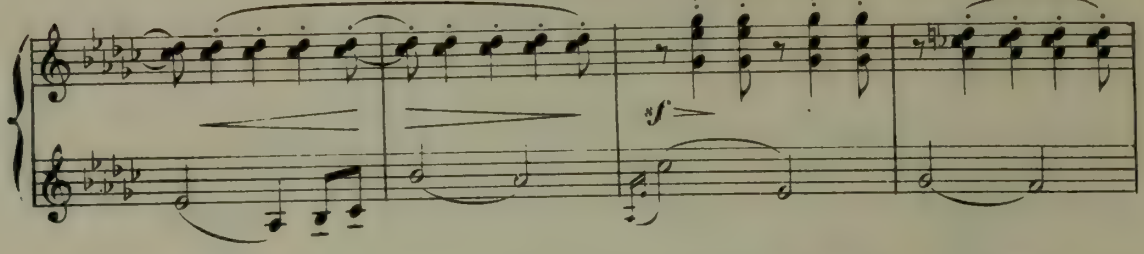
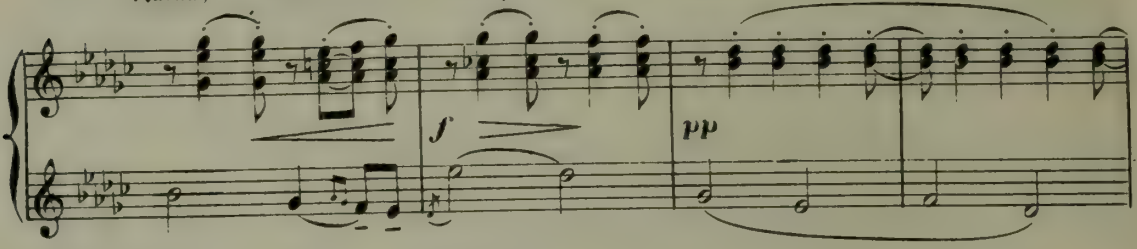
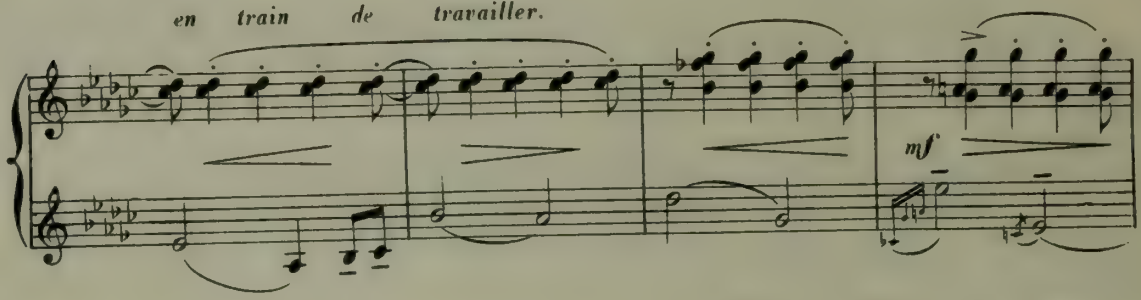
Le rideau se lève lentement. *Au lever du*



rideau, PRAXITÈLE *contemple un instant la statue à laquelle il est*



en train de travailler.



Puis, tout à coup,

Agitato (𝅗𝅥 = 𝅗𝅥)

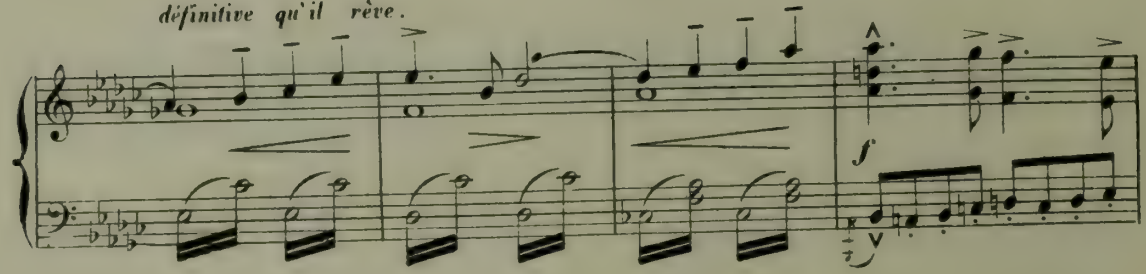
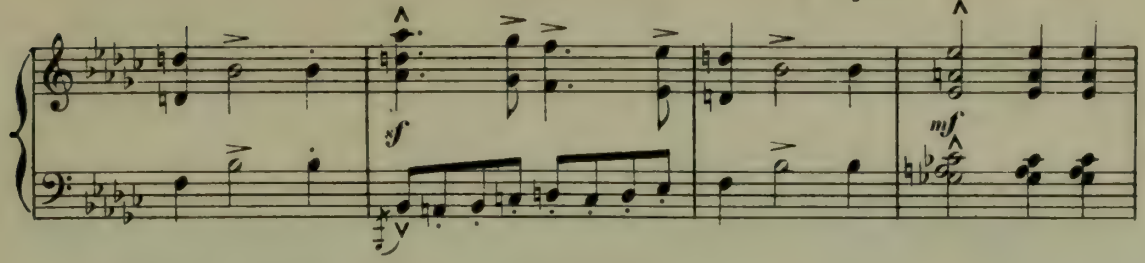
définitive qu'il rêve.



Il jette à terre



son ébauchoir;

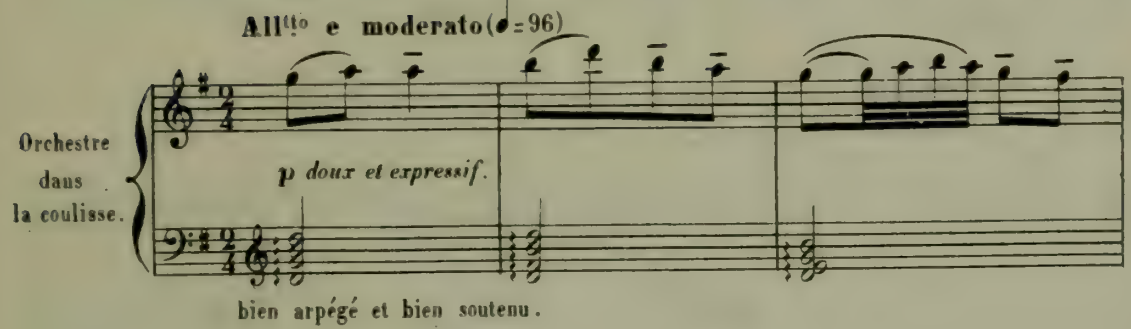
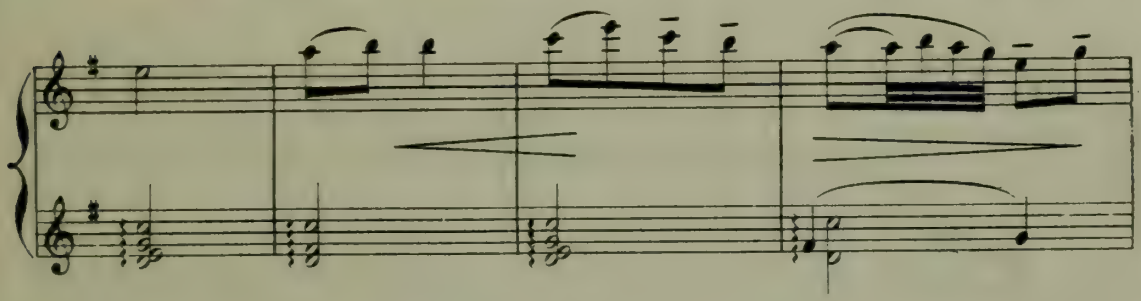
SCÈNE IX

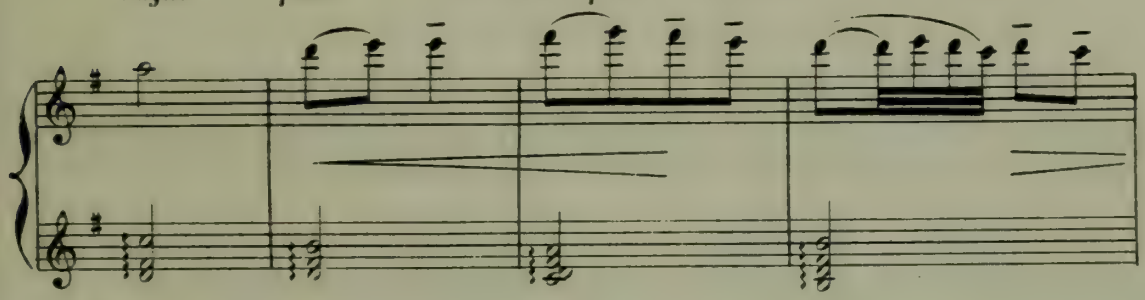
Soudain, au dehors, s'élève un doux chant de flûte.



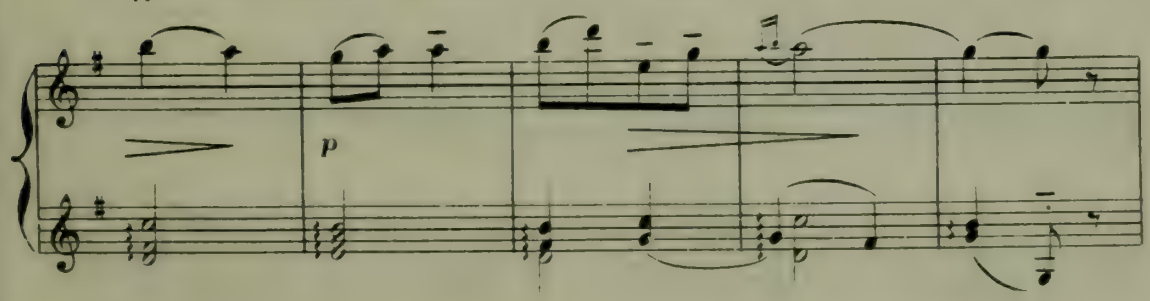
Dès que les sons charmeurs arrivent à ses oreilles, PRAXITÈLE



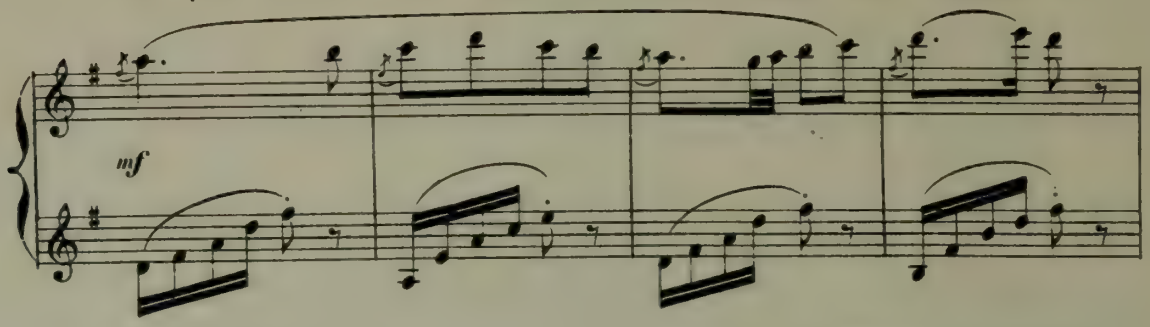
s'agite en proie à une indescriptible émotion... C'est comme un



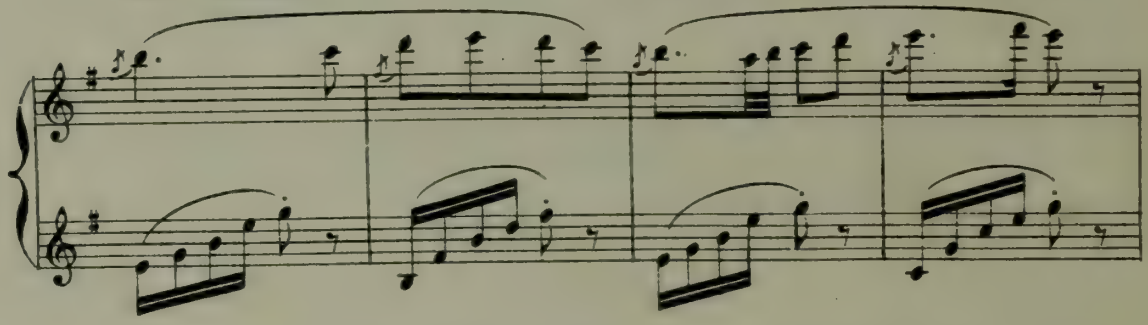
appel, une attirance invincible contre laquelle l'artiste ne peut se défendre.



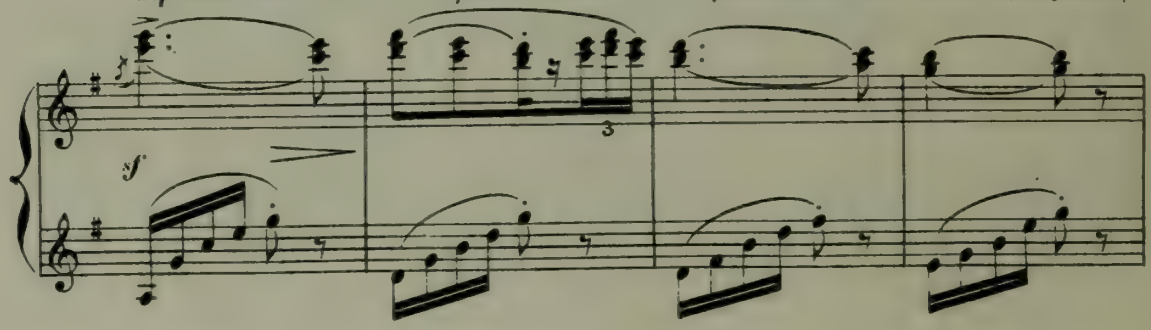
Il fait quelques pas pour se rendre compte d'où viennent ces



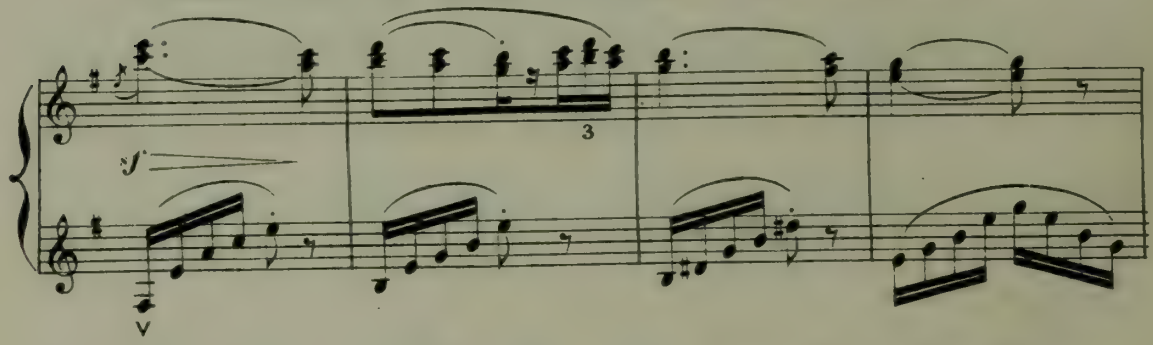
airs troublants. *Mais il se ressaisit: Au travail!..*



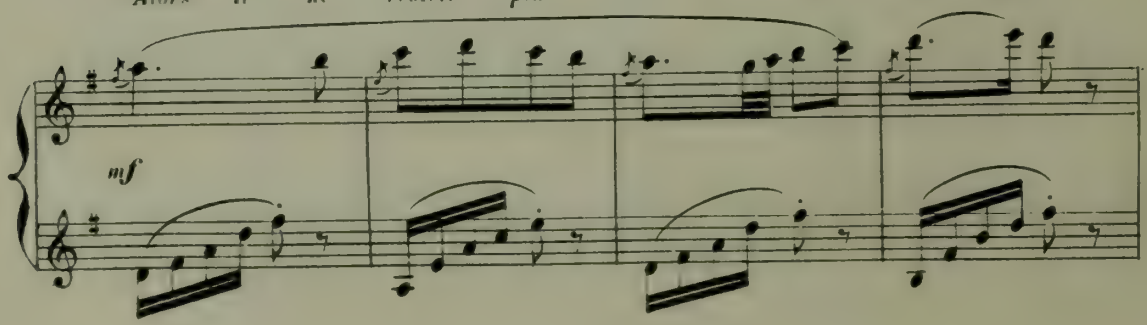
Cependant les notes de la flûte arrivent à lui, plus douces, plus tendres que jamais;



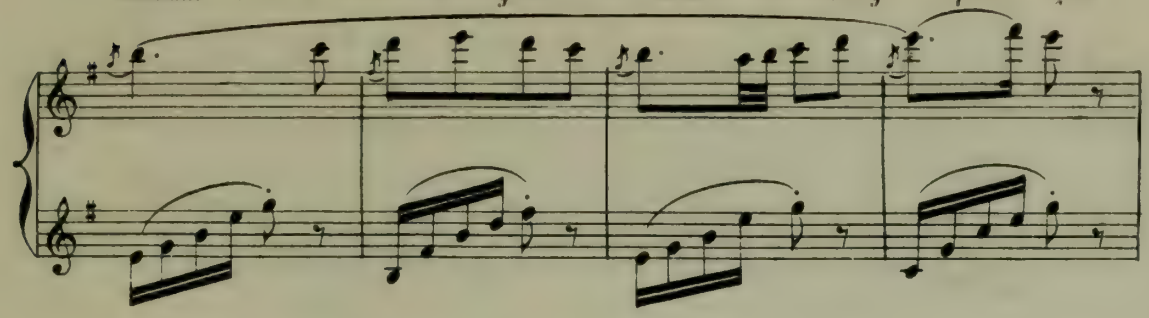
insinuantes comme une caresse; passionnées comme un baiser!



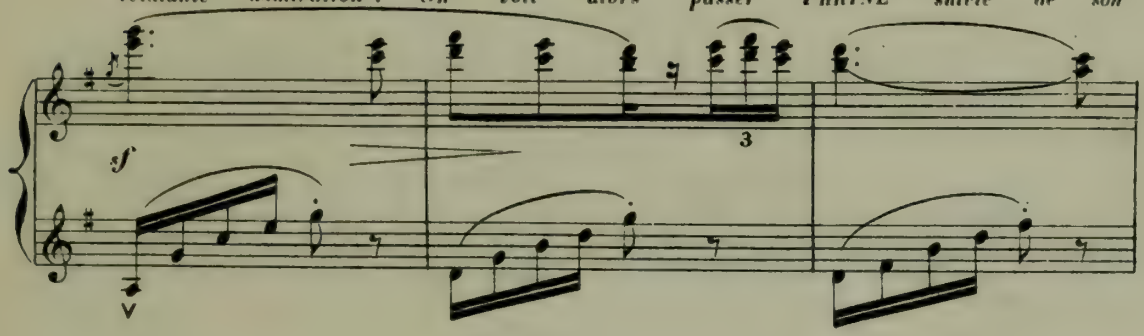
Alors il ne résiste plus, il va vers la baie



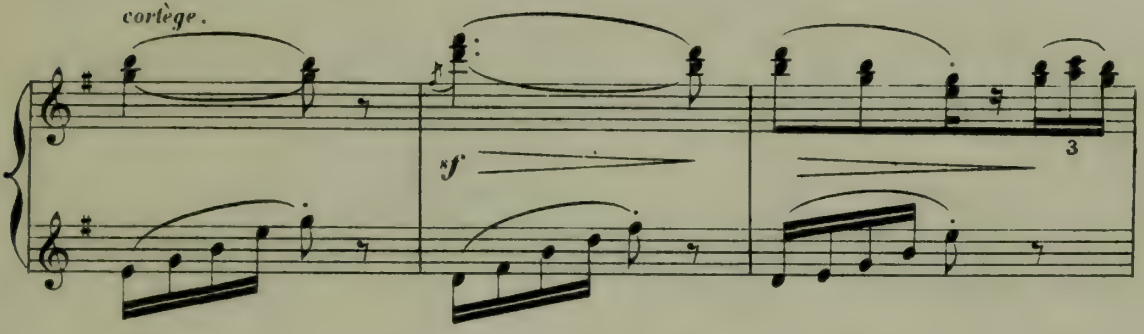
donnant sur la rue. Il regarde et soudain son visage exprime une



éclatante admiration. On voit alors passer PHRYNÉ *suivie de son*



cortège.



PRAXITÈLE court à une porte.
